

Bridge of Hope

Since 2005 Bridge of Hope has been serving God in the Guatemalan mountain villages of the Ixil Triangle that were devastated by a 36-year civil war. Building on the foundation of its predecessor's more than 20 years experience, BOH is rebuilding lives in the name of Jesus Christ through feeding programs, Bible education in the native Ixil language, building houses and micro-economic investment.

Become a Bridge of Hope partner with your prayer and financial support.

Learn to do right; seek justice.
Defend the oppressed.
Take up the cause of the fatherless;
plead the case of the widow.

Isaiah 1:17

What does Bridge of Hope do?

The widow who is really in need and left all alone puts her hope in God and continues night and day to pray and to ask God for help.

1 Timothy 5:5

Bridge of Hope was founded in 2005 to continue work in the mountain villages of the Ixil Triangle of central Guatemala.

In the last 6 years Bridge of Hope has provided daily nutrition and Bible education to 80 children in the vil-

lage of Chisis, built nearly 90 houses in 6 villages, and invested in micro-economics to foster self-sustaining environments.

With your help Bridge of Hope can continue to restore this desperate and impoverished region. 100% of donations go directly to fund the program of your choice. No administrative overhead expenses are taken from individual or corporate donations.

If you can “pray, pound or play” we invite you to come on one of our 10-day short term mission trips. During this time you will witness firsthand the power of God to answer prayer, pound nails in the construction of simple houses and play with children in the most beautiful landscape imaginable. You will be forever changed as you tangibly become the hands and feet of Christ, and learn faith and dependence on God from those you came to serve.

“For God so loved the world that he gave...”

Opportunities to Give

Feeding Programs

Provide a month of daily nutrition for less than \$10/child!

Chisis:

80 children, \$750/mo.

San Miguel:

40 children, \$400/mo.

Micro-economics

Buy a calf today for \$150 (including grazing rights), and in 3 years the cow is sold for \$300! Profits are reinvested and kept in community for self-support.

Buy a House

\$450 builds a 12'x12' timber house with a corrugated roof for a family. All materials purchased locally to support local economy.

Short-term Missions

\$750 to change your life or the life of someone else. This covers the cost of travel to/from Guatemala and the villages in which we serve.
