Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world.

Essential (Kingdom) Building Tips

- Jesus was a carpenter, act like Him
- Reflect Christ at all times in your actions, attitude and words
- If you feel like taking over, serve others instead-fetch boards and wash feet
- You are NOT here to build homes, you are here to build the kingdom of God
- If you don't know what to do, actively love somebody...anybody!
- Play with a child, learn some Spanish/Ixil, have a child pound some nails
- Quiet yourself and look for God and listen to what He is saying
